## Participating Lenders – Fiscal Year 2022/2023

The first step for a small business to access IBank's Small Business Loan Guarantee Program is contacting a participating lender in the program. Below is a list of the program's lenders. If you are familiar with a lender on the list or see one in your region, please use their website to contact them. If not, please contact one of our financial development corporations listed in the section immediately below, and they will help facilitate a connection to a lender(s).
